Dr. Joshua Lederberg, Chairman
Department of Genetics
Stanford University School of Medicine
Palo Alto, California 94304

Dear Josh:

It was a pleasure to talk to you a few days ago. I hope that you will find it possible to give a seminar here during the week of June 5. Our seminar chairman, Dr. Ernesto Trucco, was most enthusiastic about this possibility and asked me to suggest June 6 as the best date for us. However, we would be delighted to schedule your seminar for whatever date would fit your timetable.

With best personal regards.

Sincerely yours,

Stanley K. Shapiro
Division of Biological
and Medical Research

I can confirm the 6th.
Please send me details of time, place,
how to get there. I'd like to
return to Calif. that evening if possible. I

SHAPIRO, S.
